BELTEI TOUR
Message from Director

Welcome Samdech, Your Excellencies, Lok Oknha, Lok Chumteav, Ladies, Gentlemen, Parents, Guardians and all dear students who have trusted BELTEI International School. Based on the good will of loving education with the intention to take part in developing human resources with the Royal Government and developing our country faster, and in accordance with the Rectangular Strategy (for Growth, Employment, Equity, and Efficiency in Cambodia) of the Royal Government led by Samdech Akka Moha Sena Padei Techo HUN SEN who is the greatest Khmer hero and the most intelligent leader of the Royal Government, I have established a private school, and have named BELTEI INTERNATIONAL SCHOOL, inaugurated on January 1, 2002 since then.

The school sets out its primary motto for the future, “Quality, Efficiency, Excellence, Morality, Virtue” and offers 5 main programs such as: 1. General Education, 2. ESL Program, 3. Skills Training Programs, 4. Computer Training Courses, and 5. International Test Preparation Courses. Students who graduate from BELTEI have enough abilities in mental ability, general knowledge, English, Computer, Technical Science and specific skills to challenge into both local and international labor markets successfully. The school has also promoted the education of social morality, and advised students to clearly know their own identities, to love their country, to know the value of Khmer culture and civilization, to obey national laws, implement our school's internal rules, and have good solidarity between students and teachers, the management team and staff and not to discriminate against status, social class, and especially, to build good relationship among schools, family and society, by following the three study principles: Learning from School, Learning from Work, and Self-study.

For all educational programs, we set out clear study schedules by categorizing lessons into monthly, trimesters and semesters, every campus has the same course length including course commencement, exam and exit exam date. In short all BELTEI campuses operate their academic activities based on only one standard called BELTEI Standard. All our teachers hold at least Bachelor Degree with teaching methodology and long year experiences so that our students will easily understand and catch up all the lessons; they will build their real skills.

The school has installed modern teaching equipments in each classroom according to its level and grade such as LCD Projectors, TV Program, Listening Lab, Internet, proverbs, and formulated posters; every classroom has air-conditioners and equipped with cameras to observe students' study activities and teachers teaching performances. We are also proud that all campus buildings are equipped with 150KVA generators and completed modern study facilities, which belong to BELTEI Group.

We are looking forward to welcoming Samdech, Your Excellencies, Lok Oknha, Lok Chumteav, Ladies, Gentlemen, Parents, Guardians and all students to our school.

We wish you have good health and success in all work.

Director of the School

LY CHHENG, DBA Candidate
PURPOSE

The purpose of founding BELTEI International School is to participate in enhancing the education and improvement of human resources efficiently along with the Royal Government, which has the Ministry of Education Youth and Sport as secretariats, in accordance with the Royal Governments' Rectangular Strategies, led by Samdech Akka Moha Sena Padei Techo Hun Sen, the most intelligent leader, who makes the whole country safe and peaceful by developing all fields.

VISION

BELTEI International School will become the school which has the high quality of education in accordance with the national and international standards; the most well-known school in Cambodia and it will be worldwide recognized. Students who graduated from BELTEI International School have enough abilities in mental ability, general knowledge, English, Computer, Technical Science and specific skills to challenge into both local and international labor markets successfully, in accordance with BELTEI’s slogan: “BELTEI, the Best Quality of Education in Cambodia”.

MISSION

To achieve the vision above, the school has set the mission to improve the educational field by offering the important life skills to the students proficiently such as analyzing, thinking, reading, writing, speaking, listening and being self-confidence in order to pass 100 percent for high school exam and to get 5.0 bands up for international tests after level 12.

All subjects have been taught by teachers who graduated and had enough experience in teaching. All the facilities are modern and imported from USA. Each room, it is equipped with air conditioners and close-circuit cameras for monitoring students’ learning and teacher’s teaching. One room is limited only 36 students. The management is well structured from top level to low level. All of campuses in BELTEI International School implement only one standard “BELTEI Standard” on new term, monthly test, mid-term /semester exam and final exam. We are proud that all our campuses are equipped with powerful generators 150KVA, and all the buildings belong to BELTEI, Which provided the opportunities to students with regular learning without disturbance.

GOALS

With clear vision and defined mission for the improvement of the quality of education, we strongly believe that the students who graduate from BELTEI International School will gain the high quality of education in accordance with national and international standards. Further more, students who are studying at BELTEI International School can transfer to study abroad and they can study at the same level as they study in BELTEI. When the students finish their studies from BELTEI, they will become good citizens and leaders with high morality, virtues, and full of ability in general knowledge, English, computer and specific skills and they can use their abilities effectively to face the challenge in both national and international labor markets in accordance with BELTEI’s motto: “Quality, Efficiency, Excellence, Morality, Virtue” like a Bamboo shoot growing up to be Bamboo for the future of the country.
BELTEI International School Profile

BELTEI International School is fully named in Khmer “វទនិយមបនបតទតមង៉មបសេលខ” and in English “BELTEI INTERNATIONAL SCHOOL”. BELTEI is an acronym consisting of six major subjects: Business, Economics, Law, Tourism, English, and Information Technology. BELTEI, a private educational school, was founded on January 01, 2002 at a plot № 77, Street 125, Sangkat Veal Vong, Khan 7 Makara, Phnom Penh city and it was the first BELTEI International School.

- H.E. Ly Chheng is a former Director of Chheng Hear Institute and at the present he is an advisor to the Council of Ministers, the Director-General of BELTEI Group and the director of BELTEI International School. He is the only founder building the schools with hundreds of thousands of dollar with the aim of partly fostering human resources with the Royal Government, led by Samdech Akka Moha Sena Padei Techo Hun Sen. He invests his own money in the education sector to help alleviate the poverty in Cambodia, which gives the name “Chheng Hear Institute”. Chheng Hear ran general education, English language, as well as computer skills, but the major subject was ‘Chinese’ in accordance with the Prakas of the Ministry of Education, Youth and Sport, Nº 921, dated on March 25, 2003 and signed by His Excellency Im Sotthy, Secretary of State of Ministry of Education, Youth and Sport. Chheng Hear did not go well, because the Chinese language, the major subject, then was slightly needed, so the management team unanimously changed the name Chheng Hear Institute to BELTEI International Institute in accordance with subjects chosen for the future.

- In accordance with the permit released by the city hall, Nº 3625 មិ.ថ., dated on December 22, 2003 and signed by His Excellency Mob Sarin, Phnom Penh Deputy Governor, BELTEI International Institute is accredited to run foreign languages and computer courses.

- In accordance with the Prakas Nº 1032 មិ.ថ., dated on July 06, 2005, and signed by His Excellency Dr. Kpl Pheng, Senior Minister and Minister of MoEYS, the name Chheng Hear Institute is authorized to be changed to BELTEI International Institute.

- In accordance with the Royal Government’s sub-decree Nº 97 មិ.ថ., dated on August 04, 2005 and signed by Samdech Akka Moha Sena Padei Techo Hun Sen, the Prime Minister of the Kingdom of Cambodia, BELTEI International Institute is authorized to run faculties.

- In accordance with the Prakas Nº 1426 មិ.ថ., dated on August 31, 2006 and signed by His Excellency Dr. Kpl Pheng, Senior Minister and Minister of MoEYS, the Department of Foundation Year of BELTEI International Institute is recognized.

- Full Accreditation was granted by Accreditation Committee of Cambodia (ACC) Nº R.9.ฟ. 02460832, dated on October 22, 2008 and signed by His Excellency Sok An, the President of ACC and the Deputy Prime Minister.

- Full Accreditation was granted by Accreditation Committee of Cambodia (ACC) Nº R.9.ฟ. 02461112, dated on September 19, 2011 and signed by His Excellency San Montaya, Secretary General of ACC.

Regarding to the our rapid development, BELTEI International University was established in accordance with the Royal Government Sub-degree Nº 138 មិ.ថ., issued on September 06, 2012 stating about the transformation of BELTEI International Institute to BELTEI International University. Therefore, BELTEI International Institute was transformed to BELTEI International School.

The school has trained on 5 main programs:

1. General Education (Grade 1 to Grade 12): This program is designed and conducted in accordance with the Ministry of Education Youth and Sports’ (MoEYS) curriculum and syllabus. In addition to this, we also provide English and Computer classes to our students.

2. ESL Program: (Preschool to Level 12) This is an American system. Students in level 12 (High Advanced Level) are eligible for two kinds of certificates which are issued by BELTEI Head Office, and International Institution (TOEFL or IELTS).

BELTEI International School was authorized and granted a license to run the two main official International Test Centers from ETS Authorized TOEFL IBT Center and Authorized IELTS Test Delivery Location.

As mentioned above, the management team of BELTEI unanimously approved and organized “BELTEI Standard” for all BELTEI campuses in order to carry out the same principle, which chose the same day for the Monthly Test, Midterm Test, and Semester Exam. The internal rules, directives, norms, the opening day of General Education, terms for ESL, school fees, document in grade or level and the leading principles are determined by the BELTEI management.

BELTEI International School has expanded itself by opening fourteen campuses including:

### BELTEI Campus 1 (Kirirom)

Located at the building No. 77, Street 125, Sangkat Veal Vong, Khan 7 Makara, Phnom Penh city, and it was officially inaugurated on January 01, 2002 and presided over by Mr. Oum Hoeung, Director of Phnom Penh Municipal Department of Education, Youth and Sport. It is a five-storey building with 41 rooms, which was built by BELTEI Construction Company of BELTEI Group, and it belongs to BELTEI.

- When graduating from level 12, students are awarded two kinds of certificates:
  1. BELTEI ESL Diploma which issued by BELTEI Head Office.
  2. The International certificate TOEFL given by ETS from USA or IELTS given by British Council, University of Cambridge from UK, and these certificates will be uploaded in BELTEI website.
ISO (International Organization for Standardization) is the world highest standards organization that creates the standards for organizations or institutions to have an effective implementation and management. ISO organization was created in 1947 consisting of 164 members in different countries and has its head office in Geneva city in Switzerland.

Institute of standards of Cambodia of Ministry of Industries, Mines and Energy known as ISC is a national institution of the kingdom of Cambodia and ACM body licensed UKAS of United Kingdom which is the international standards institution accrediting and licensing on the international standards implementation, ISO 9001:2008 (Quality Management System) to any accomplished institutions meeting the requirements of World ISO Organization. Having seen the advancement of BELTEI both education quality service and managerial affairs, the two bodies decided to conduct assessments on international standards implementation of BELTEI based on the following indicators

1. Scope
2. Normative References
3. Term and Definitions
4. Documentation Management
5. Management Responsibility
6. Resource Management
7. Product Realization
8. Measurement, Analysis, and Improvement

After the assessments, the Institute of standards of Cambodia (ISC) and ACM body of United Kingdom decided to offer the accreditation and certificate certifying BELTEI for the Quality Management System via the National Certificate No. QMS 006/12 CCD-ISC dated on October 11, 2012 and the International Certificate No. 122964A dated on July 20, 2012.
BELTEI Group Receiving the 7th TAYO ASEAN Award from ASEAN

1. Social Work
- Engagement in different activities in local village and commune by giving donation to the poor and the elderly people, helping to build schools, pagodas, bridges, roads, and other public buildings at many places.
- Regularly granting fund to support the Cambodia Red Cross, orphanage organizations, youth organizations, and other foundations engaging in social work in Cambodia.
- Encouraging staff to participate in blood donation to rescue vulnerable people.
- Giving the visit with the food and financial aid to the army at the frontier along the Cambodia and Thai border many times.

2. Youth Serving Activities
- Leading youth to participate in different activities to develop knowledge, know-how, and youth’s spirit to love the country as well as engaging in public work.
- Inviting guest speaker to conduct presentation on anti-corruption law, AIDS, traffic law, the effects of illegal drugs, morality education, and advising the youth to conduct the right deed and to have virtue within them.
- Participating in educational development through opening schools, institutes, and universities by providing all levels of education from elementary education to higher education.
- Sending youth to join workshops and field trips at historical sites in the country and abroad (Summer Camp and World Camp).

- Employing around 1,500 youths to work in BELTEI Group.

BELTEI Group was granted this TAYO award 2012 via the assessment of the Committee of TAYO on the activities that have been completed as follows:

1. Social Work
- Employing around 1,500 youths to work in BELTEI Group.
- Sending youth to join workshops and field trips at historical sites in the country and abroad (Summer Camp and World Camp).
- Regularly granting fund to support the Cambodia Red Cross, orphanage organizations, youth organizations, and other foundations engaging in social work in Cambodia.
- Encouraging staff to participate in blood donation to rescue vulnerable people.
- Giving the visit with the food and financial aid to the army at the frontier along the Cambodia and Thai border many times.

TAYO (Ten Accomplished Youth Organizations) is the award that was organized by the Committee of TAYO (10 countries member) aiming at providing awards to any accomplished institutions promoting social activities and youth. This award ceremony is held every year, and so far, it has been held 6 times in rotation by selecting only one most accomplished institution in a country to be awarded.

Whereas our Cambodia, we have received the awards two times already. The first award was granted to SSEAYP Association and the second award to CORDE Organization; the third award was given to BELTEI Group which was held in Bangkok, Kingdom of Thailand, under the presidency of H.E. Yongyut Wichaidit, Deputy Prime Minister of Kingdom of Thailand.

BELTEI Group received this TAYO ASEAN Award 2012 via the assessment of the Committee of TAYO on the activities that have been completed as follows:

1. Social Work
- Engagement in different activities in local village and commune by giving donation to the poor and the elderly people, helping to build schools, pagodas, bridges, roads, and other public buildings at many places.
- Regularly granting fund to support the Cambodia Red Cross, orphanage organizations, youth organizations, and other foundations engaging in social work in Cambodia.
- Encouraging staff to participate in blood donation to rescue vulnerable people.
- Giving the visit with the food and financial aid to the army at the frontier along the Cambodia and Thai border many times.

2. Youth Serving Activities
- Leading youth to participate in different activities to develop knowledge, know-how, and youth’s spirit to love the country as well as engaging in public work.
- Inviting guest speaker to conduct presentation on anti-corruption law, AIDS, traffic law, the effects of illegal drugs, morality education, and advising the youth to conduct the right deed and to have virtue within them.
- Participating in educational development through opening schools, institutes, and universities by providing all levels of education from elementary education to higher education.
- Sending youth to join workshops and field trips at historical sites in the country and abroad (Summer Camp and World Camp).
- Offering scholarships to higher ranking leaders, officers, staff, poor students, and outstanding students over 2,000 awards including 20%, 30%, 50%, and 100% ones, and founding Oknha Ly Chheng Scholarship program for outstanding students to study abroad 2 awards per year.
- Employing around 1,500 youths to work in BELTEI Group.

Receiving this TAYO ASEAN Award is not only pride of BELTEI Group, but also a pride for the nation and Cambodians as a whole; it also means that our country is developing in all fields under the wise leadership of Samdech Akka Moha Sena Padei Techo HUN SEN, the Prime Minister of the Kingdom of Cambodia.
Preschool before enrolling Khmer general education Elementary School grade 1 or Level 1 (ESL) is the class for children at the age of 5-year-old up students. This Preschool is designed for helping children to be ready in learning Khmer General Education, at the Primary, Grade 1 or Level 1 (ESL) easily.

Studying with other special curriculums, which will let children know how to draw the lines (use the rulers), write the cursive letters, color the pictures, and write Khmer, English consonants and vowels correctly with pictures and songs that can help students learn and remember very well and it helps children to have the basic for speaking, listening, reading and writing the sentences correctly.

**Admission Requirements**

1. Any student who enrolls Preschool before enrolling Khmer general education Elementary School grade 1 or Level 1 (ESL) must be at least 5 years old up.

Skills Training Program is a course providing the life skills for the teenagers and adults. After graduating, learners will be able to be clear in the Teaching Methodology, Administrative act writing, business letter writing, and other letter writing both in Khmer and English, and they will be able to find a job in a short time. Skills Training Program is a 3-month course teaching 2 subjects as following:

I. Teaching Methodology

**Major Overview**
Teaching Methodology is a subject that teaches how to prepare the pre-teaching activities, while-teaching activities and post-teaching activities. It also teaches teachers to control their own attitudes, control their students, manage their classroom, and organize their teaching materials. Teaching Methodology details the ways how to teach children and adults to catch on and remember the lessons easily, and it teaches teachers how to research the references in order to improve the students’ abilities. Moreover, the Teaching Methodology teaches them how to prepare funny games that related to the lessons in order to make students understand well, and it teaches the ways how to transfer teacher’s knowledge to their students. Finally, the Teaching Methodology is to teach the ways or techniques, the managements of pre-teaching activities, while-teaching activities and post-teaching activities.

**Curriculum**
The curriculum is carefully and thoroughly selected in accordance with the teaching methodology standards of the Ministry of Education, Youth and Sport and international teaching methodology standards. The curriculum includes the teaching methodology both in Khmer and English. The lessons in Khmer are the meanings and the duties of teaching, the teaching principles, instructors and moralities in their career, lesson plans, the specialties of adults, and the relationship among schools, families and societies. The lessons in English are lesson plans, reading teaching, writing teaching, and game teaching.

The Teaching Methodology both in Khmer and English are extracted from the famous books which details the ways how to teach children and adults.

**Learning Outcomes**
After graduating the learners will receive a certificate from BELTEI Head Office; they gain their real knowledge of the ways how to teach the children and adults, and they get successful with this knowledge. The learners can educate their children, nieces or nephews, or the children and adults, and they get successful with this knowledge. Moreover, the Teaching Methodology teaches teachers how to research the references in order to improve the students’ abilities. Furthermore, the Teaching Methodology teaches the ways how to transfer teacher’s knowledge to their students. Finally, the Teaching Methodology is to teach the ways or techniques, the managements of pre-teaching activities, while-teaching activities and post-teaching activities.

**Career Opportunities**
After graduating, the learners will become:
- A principal
- An assistant to a school who will be able to suggest good ideas to the principal and the instructors in the education
- An instructor with great geniuses and accurate pedagogy.
